

Sexuality and Gender Identity

Do you want to explore how you are feeling or get some support or advice about your sexuality or gender identity? Allsorts Youth Project listens to, supports and connects children and young people under 26 who are lesbian, gay, bisexual, trans or unsure (LGBTU) of their sexual orientation and/or gender identity.

They aim to improve the lives of LGBTU young people via a two-pronged approach;

1. Providing specialist youth services to children & young people from the ages of 5-25 who are LGBTU
2. Training the wider community and professionals so all spaces and organisations can be safer and more inclusive for LGBTU people.

Young LGBTU people deserve to feel safe and thrive at home, at school and in their communities.

Mermaids is passionate about supporting children, young people, and their families to achieve a happier life in the face of great adversity. They work to raise awareness about gender nonconformity in children and young people amongst professionals and the general public, and also campaign for the recognition of gender dysphoria in young people and lobby for improvements in professional services.
